**NOTICE OF DISCONTINUANCE
OF THE
PROPOSED CLASS ACTION AGAINST
GOLDCORP INC.**

OVERVIEW OF THE LAWSUIT

On February 14, 2017, John Mask, as Representative Plaintiff, commenced an action in the Ontario Superior Court of Justice against the Defendant Goldcorp, Inc. (“Goldcorp”) alleging that the Defendant is liable for certain misrepresentations. Specifically, Goldcorp is alleged to have: (i) released core documents that omitted to disclose it had informed the Mexican government in October of 2014 that it was observing rising selenium and sulphate levels in two groundwater wells at its flagship Peñasquito Mine; and (ii) omitted to disclose that the tailings pond at its Peñasquito Mine had been leaking and selenium levels were rising when it was aware of the fact for years (the “Action”).

The Action was commenced in February 2017 as a proposed class action pursuant to the *Class Proceedings Act, 1992*, S.O. 1992, c. 6. and has not been certified.

The proposed Class is defined as all persons, other than Excluded Persons, who acquired Goldcorp’s common stock from October 30, 2014 up to and including August 23, 2016 and who held some or all of those securities at the close of trading on August 23, 2016.

“Excluded Persons” are defined in the Action as Goldcorp’s subsidiaries, affiliates, officers, directors, senior employees, legal representatives, heirs, predecessors, successors and assigns, and any member of the individual defendants’ immediate families and any entity in which any of the foregoing has or had an interest from October 30, 2014 up to and including August 23, 2016.

DISCONTINUANCE OF THE LAWSUIT

On September 17, 2021, the Ontario Superior Court of Justice granted Class Counsel's motions to be removed as counsel of record and to discontinue the Action (the "Order").

Discontinuance of the Action means that it is no longer going forward or being pursued. However, other than the possible application of a limitation period to the claims no longer asserted in the Action, the Order does not affect any other shareholder's right to advance another same or similar claim(s), although the Defendant reserved the right to seek costs of its defense of the Action from any new Plaintiff.

HOW DOES THIS AFFECT YOU?

YOU SHOULD TAKE NOTICE THAT THE applicable limitation periods for bringing the claims previously asserted in the Action will no longer be suspended. They recommenced as of the effective date of the aforementioned Order.

TAKE NOTICE THAT, should you wish to pursue a claim against Goldcorp in relation to the matters previously alleged in the Action, you should seek legal advice immediately.

If you are/were relying on this Action to protect your rights, you should seek legal advice immediately.
